

Dearest Mr. Blanco,

We thank you so much for your reply.

It takes approx an hour from Ubud to the airport. Yes. We are able to arrange transportation for you. For the comfort of 8 passengers, a bigger van would be considered more appropriate. The rate of the van is Rp.320,000 per car per trip. Also in our experience, a luggage van is usually requested to accompany the passenger van at 15\$US per car per trip.

As of the rooms, we are very sorry that we didn't make it clear to you. As the only Bed and breakfast in Bali offering complimentary daily changed three-course breakfast and afternoon tea, we boast to have six different themed rooms. However, there is only one room available for each different theme, i.e. there is only one Barong Cottage, one Primitive Room, and so on. We wonder if this would be suitable to your group. We currently are still double checking the availability from July 16<sup>th</sup> to 22<sup>nd</sup>.

We currently are not able to offer lunch and dinner. However, there are numerous gourmet restaurants in Ubud. We are certainly able to recommend you places to dine and make reservation for you.

We sincerely hope we'll have the privilege of serving and look forward to your next email.

Yours truly,

Sean Huang
